

QuickBooks Desktop Seminar

Hosted by:

Are you getting the most out of QuickBooks Desktop?

We believe that every business should always strive for improvement, and it is our mission to help you succeed. Many of you already use QuickBooks Desktop for recordkeeping, others of you may be interested in learning how to use QuickBooks Desktop. Effective use of QuickBooks Desktop helps track your business' financial position, allowing you to become a more efficient business person and aiding you in presenting your financial information to outside parties.

This seminar is focused on the basic operation of QuickBooks Desktop. Participants are encouraged to bring a laptop with their QuickBooks file along.
